The Financial Conduct Authority regulates financial services. WeLoveTenants is a trading style of NWBIB Ltd who are authorised and regulated by the Financial Conduct Authority. Our Financial Services Register number is 306173 and you can check our status and permissions at <http://www.fca.org.uk/register/> or by contacting the FCA on 0800 111 6768.

Our permitted business includes advising, arranging and assisting with the placing and administration of general insurance policies. We are also authorised to undertake certain Consumer Credit activities. Where these are undertaken we act as a credit broker not lender and only as an introducer. We do not charge for this service.

Our Services

We are an Independent Insurance Intermediary. Occasionally we will act as the agent of the Insurer or another intermediary and when required to do so we will advise you when this applies. The services we provide include:

- ◆ Advising on your insurance requirements
- ◆ Arranging your insurance cover
- ◆ Helping you with any ongoing changes
- ◆ Helping you with your claim

Where we have delegated claims authority we will act as agents of the insurers. We do not normally help you to recover any uninsured losses. However, for motor policies we offer an option to purchase cover for this service from our recommended provider.

We usually offer advice from a range of insurers, representing a fair analysis of the market, however, under certain circumstances we may only deal with a limited panel, or single insurer. We will confirm, for each individual policy we provide you with, the basis of our advice or if issued, this will be in our Initial Disclosure Document.

We will advise and make a recommendation for you after we have assessed your demands and needs. Our advice will be confirmed in a demands & needs and suitability statement, giving reasons for our recommendation. In respect of Legal Expenses, Motor Breakdown and policies transacted online you will not receive advice or a recommendation from us and you will then need to make your own choice about how to proceed.

Consumer Credit Act (applicable to Consumers taking Personal Lines policies and Commercial policies for individuals, Sole Traders and small Partnerships). We may use providers who will conduct a credit check, which will be recorded on your credit record. **Please contact us if you do NOT consent to a credit check being undertaken**, however this may affect our ability to offer instalment facilities to you. In relation to the provision of credit, we offer only the facilities provided by Insurers, or those of Premium Credit Ltd

Confirmation of Cover

We will provide you with cover notes and written confirmation that cover has been effected and the terms thereof as well as the insurers involved. You agree to review all information upon receipt and advise us immediately if the details of the cover do not meet with your approval, or do not reflect the instructions previously given to us, and particularly if any cover you require is excluded.

Payment of Premium

We will advise you of all premiums due from you to Insurers by means of an invoice. We normally accept payment by cheque, electronic transfer or most credit and debit cards. You may also be able to spread your payments through an instalment or credit financing scheme. We will give full information about your payment options when we discuss your insurance requirements.

Please Note: Your policy cover will cease if you fail to keep up payments on an instalment agreement or premium finance facility related to it.

TOBA/Client/April16V26

Where we offer facilities for paying by instalments we will provide you with the details and where we have considered one provider this will be advised to you. The premium is due on attachment of cover. In order that we can settle with Insurers we will require payment of the premium immediately or within the terms of credit specified on the invoice or covering letter.

We must stress that breach of any payment terms may enable insurers to void the policy from inception of cover. You agree that the settlement of premiums in good time is your responsibility.

In the majority of cases we act as agent of the insurer when collecting or refunding premiums. This means that while your money is with us it is treated by the insurer as having been paid to them. If your insurer does not provide this facility, we will hold your money in a Statutory Trust bank account before passing it to the insurer. The account will protect your money in the unlikely event of the failure of this firm or failure of the bank. We will exercise due care & diligence in selecting an appropriate bank but we can not be held responsible for the bank's failure and will not be liable to refund money to you on behalf of the bank.

Our Fees and other Charges

We are normally remunerated by a commission paid to us by the insurer with whom your insurance is placed. For policies where the commission received makes the business uneconomical to handle, we will normally make an additional administrative charge. Any fees charged will be reasonable and we will always advise you in advance. We normally also make the following additional administrative charges:

Arranging new policies & Mid term adjustments	£10
Replacement/duplicate certificates or cover notes	£10
Payment by Credit Cards	2.00 % surcharge
Renewal	£10
Mid term cancellations and other refunds are refunded NET of Commission and in addition, we usually charge a £15 administration fee	

Policies cancelled during the 'Right to Cancel' period will be subject to an administration charge of £15, in addition to the premium charged by the insurer for the period of cover provided. Occasionally we may arrange a policy on which we earn no commission (a 'net-premium policy') and in these cases we will advise you of the arrangement fee before you take the policy out. Specific charges, which apply to individual policies will be shown in our quotation letter/report applicable to that policy. **The specific charge and purpose of any additional charges will always be advised to you in advance.**

We may also be entitled to benefit from:

- Earnings which we are able to generate due to the weight of an account placed with certain markets and its underwriting performance, or volume of business placed with premium finance providers which are not identifiable to any specific account; and
- Earnings which we are able to generate through management of cash balances held on behalf of Insurers and clients which are not identifiable to any specific account.

In the normal course of operating as brokers we sometimes ask other brokers to assist us in responding to your instructions where we believe this is to your benefit. Unless a fee arrangement has been agreed these brokers will usually be remunerated by brokerage which will be included in the premiums charged. We may also charge a fee for other services and administration. These will always be reasonable and will always be advised to you in advance.

Claims

It is essential that claims, or circumstances which could give rise to a claim, are notified immediately. Such notification should include all facts concerning the claim. **Failure to do so may entitle the insurers to deny claims.** Your Policy wordings will describe in detail the procedures and conditions attaching to making a claim.

We will provide a claims handling service for as long as you remain a customer of NWBIB Ltd we will:

- If you wish us to do so, give you guidance in pursuing a claim under the policy;
- Handle claims fairly and promptly and keep you informed of their progress;
- Inform you in writing if we are unable to deal with any part of a claim;
- Account to you, without avoidable delay, once a claim has been agreed and settled

Claims settlement will be dependent upon collection from Insurers. Part payments may be made during the collection process and we cannot be responsible for the wrongful non-payment or delay in payment of any claim by Insurers. Claims payments where appropriate will be made in your favour. If you require a payment to be made to a third party then you must confirm the required payee name and details and provide an explanation for your request.

Market Security

As an Independent Broker we use both UK and overseas Insurers to obtain the best terms and conditions available for clients. However, the levels of regulation vary in each jurisdiction and if Non-EU or Non-UK Insurers participate in insurance contracts, the future ability of an insured to issue legal proceedings and/or execute judgement may also vary. In selecting security a wide variety of factors including financial statements of the Insurer in question are taken into account. However, we cannot guarantee the future ability of any Insurer to meet policyholder obligations and therefore the final decision on the suitability of any Insurer rests with you. If you have any concerns about the security offered please contact us immediately to discuss the matter further
